

TO MY HUSBAND'S MOTHER

*You were the one who held his hand
When his life had just begun,
The one who taught him everything,
Who raised such a "loving son."*

*You were the mother he turned to
With his questions and his fears,
The person who was always there,
To guide him through the years.*

*I am the one who took his hand
To walk with him in life,
The one you "lovingly embraced,"
And welcomed as his wife.*

*I am the one who is grateful now
For the job that you have done,
Blessed with a wonderful husband,
The man that you call "your son."
In loving memory of Kay Walters*

THANK YOU

We would like to thank everyone for helping us celebrate our wedding day. We appreciate your friendship and support and ask that you keep us in your prayers as we begin our lives together. We especially want to thank our parents for their guidance, love, and support throughout our relationship and all of their time and efforts to make this a memorable day. We are truly blessed to have such wonderful family and friends.
